â€œPerfect for fans of Roomâ€ a heartbreaking but important novel.â€ â€”Real Simple

Readers of Jodi Picoult and Liane Moriarty will also like this tenderhearted debut about healing and family, narrated by an unforgettable six-year-old boy who reminds us that sometimes the littlest bodies hold the biggest hearts and the quietest voices speak the loudest.

Squeezed into a coat closet with his classmates and teacher, first grader Zach Taylor can hear gunshots ringing through the halls of his school. A gunman has entered the building, taking nineteen lives and irrevocably changing the very fabric of this close-knit community. While Zach's mother pursues a quest for justice against the shooter's parents, holding them responsible for their son's actions, Zach retreats into his super-secret hideout and loses himself in a world of books and art. Armed with his newfound understanding, and with the optimism and stubbornness only a child could have, Zach sets out on a captivating journey towards healing and forgiveness, determined to help the adults in his life rediscover the universal truths of love and compassion needed to pull them through their darkest hours.
